## **Principles:**

### **Demography isn't destiny**

- We need to ensure that every student achieves highly enough to have real options: to go to university or college or to follow the career path of their choice.
- We need to ensure that the teaching & learning meets the needs of all our pupils & that specific provision is made for pupils from vulnerable groups who are disadvantaged.
- We need to ensure that all children from identified vulnerable groups have the same access to opportunities offered as part of the school's curriculum.

### **Provision includes:**

- Providing small group work focused on overcoming gaps in learning.
- 1-1 support with teaching assistants.
- Additional teaching & learning opportunities provided by trained teaching assistants or external agencies.
- Equal access to wider opportunities which are offered within the school curriculum.

### **Reporting and Accountability:**

In addition to funds listed above, Pupil Premium Plus monies were received for two LAC pupils. This was spent on resources such as books, creative materials and access to breakfast club. These resources are reflected in the PEP targets. The pupils have benefited from the support of our Emotional Literacy Support Assistant.

Pupils in receipt of Pupil Premium have made more progress than other pupils in reading, which reflects the impact of interventions.
