

Information for parents

Homework

Your child will receive homework each week. It will be given out on a Friday but needs to be returned by the following Wednesday. Please try to return it each week so we can set new tasks for your child.

P.E

We will have P.E every Tuesday and Friday morning. Children will need their P.E. kit every week. This should be left in a bag, hanging on their peg. Please name all clothing and footwear.

Assembly

There is an Awards/ Class Assembly every Friday afternoon. You are very welcome to join us each week to celebrate our learning. It will take place in the hall at 2:55pm!

Reading

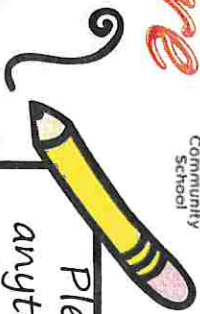

Your child will bring home a library book of their choice each week to enjoy with you. 1-1 reading with Mrs Tinuoge and the team will occur at least once a week. Levelled reading books will then be sent home with children. Please encourage them to read to you as much as possible.

Please provide your child with a named water bottle for school. We encourage them to drink frequently throughout the day!

We are the Red Class!

Please come and see us if you have anything else you would like to discuss. There will be further information and workshops for parents later in the term.

We do lots of creative things and cooking with your children and would be grateful of a donation of £3 towards costs for this term. Please send donations in a named envelope titled Kitty. Thank you 😊
