NOVEMBER 2019

Staffing

We said goodbye to Mrs Jackson and Mrs Reynolds, just before half term, with a heart of gratitude for all that they have done for our school community.

Mrs Jackson was instrumental in setting up the school in her support of our founder, Mrs Oluwatudimu. In addition, she was our first ever class teacher. She has performed a variety of roles over the years since the school opened in 2012 and has always described herself as “wired, not hired” reflecting her passionate commitment to the school.

Mrs Reynolds has also served the school for many years. She has added her expertise in provision for children with special educational needs and disabilities, to the team, as well as her wealth of knowledge about early years teaching.

We hope and pray that both colleagues will go from strength to strength.

General Election

Our school will be closed to children on Thursday 12th December, 2019. It will be used as a polling station for the general election.

Year 6 - Diversity Month Children's Rights project

In class children thought about the importance of education and questioned is it fair that some children are privileged to go to school where others are not. They also learnt about Martin Luther King jr and how he used speeches to get his point across and make a difference in the world. From this, the children wrote their own speeches on the importance of children's rights. The project work has now been displayed in the hall, if you would like more information please arrange an appointment at the school office to see Mrs Simpson.

First Aid Training Feedback

Well done to the newly trained First Aiders. Year 6 completed First Aid training and can now perform CPR. Parents and carers came along to the First Aid course and are now qualified to act in life saving, first aid emergencies. Fees are now due for the adult course and should be paid via parent pay or the school office.

Diversity Food Festival

A big thank you to all the parents and carers that came along and contributed to the Diversity food festival. The event followed an exciting, fun filled diversity assembly. Over 100 different delicious, colourful dishes from a variety of countries were freshly cooked, donated and enjoyed by the whole ECS community.
