EmmanuelCommunitySchool.co.uk

A Christian School in the heart of Walthamstow serving children of all faiths and none.

OCTOBER 2019 INFORMATION

Attendance

Attendance continues to be a school priority this year. Our target is 96.5%. You can help by ensuring non urgent dental or medical appointments are made after school or during the holidays. We will follow government guidance about issuing fixed penalty fines and where appropriate taking parents to court for failing to ensure regular attendance at school. It is the responsibility of the parent to inform us where that child is and if no contact is made we have to refer on to the safeguarding services as we do not know if that child is safe. Any absence should be phoned through to the school on the first morning of absence. Thank you for your help.

October Black History Month

This month marks Black History Month. It gives us an opportunity to celebrate the achievements made by such historical figures and appreciate how their significant contribution has shaped our lives today.

For Black History Month, children at Emmanuel Community School will have the chance to learn about a black historical figure, with each class completing a range of activities around their assigned individual. Some of the influential black people children will learn about include Rosa Parks, Mary Seacole, Lewis Hamilton, Nelson Mandela and Malcolm X, to name a few. Not only will children learn factual information, many classes will also complete artwork to develop their understanding in vibrant ways.

Children will then showcase their new strands of learning in assembly on Friday the 1st of November.

Policies

Between now and Christmas Governors will be working hard on checking and updating policies. Please check the policies tab on the school website over the coming months to keep up to date.

The Emmanuel School Trust update:

Building work for the Trust's second school Beam Park Community School, located in Beam Park, Dagenham has begun. The school is surrounded by a nature reserve, river side walkways and newly built homes.

The school will be located in the heart of the new community, opening in 2021, with 630 primary school places, a nursery, access to sports pitches, swimming pool and a gym. If you would like further information please contact
