1. THE SCHOOL WILL:

- Aim to keep Christ at the centre of everything we do.
- Celebrate the uniqueness of every individual child, recognizing that each is created in the image of God.
- Work diligently to ensure that all children realise their full potential.
- Ensure that every pupil achieves highly enough at our primary school, so that they can build on this strong foundation in their future education and life, so that they have real choices: to go to university and/or to follow the career path of their choice.
- Work in partnership with children's homes and our linked church, Emmanuel Community Church International, to offer excellence in education rooted in the Christian Faith.
- Encourage the children to be honest and truthful, to take initiative and to exercise self-control in their work and play, showing consideration to others at all times.
- Inform parents of the children's progress at regular intervals, including an annual written Progress Report and call additional meetings should there be any major concerns about their work, behaviour or attendance.
